

SHRI SHIVAJI EDUCATION SOCIETY AMRAVATI'S
SCIENCE COLLEGE PAUNI, DIST. BHANDARA

INTERNAL QUALITY ASSURANCE CELL (IQAC)

FACULTY DEVELOPMENT PROGRAM (FDP)

In today's fast growing world, in terms of rapid growth and development in science and technology, it become necessary for the teachers, working in higher education, to keep them updated with the recent development in areas of teaching and learning. There are several tools and new techniques emerged in the field of education that can be used for enhancing the effectiveness and the quality of teaching-learning process. The traditional pattern of black board teaching need to be supplemented with the incorporation of ICT-based methods not only to economize the time but also for better understanding of the concepts at the learner's end, in different subjects, we are associated with.

Considering the need of an hour, the IQAC of our institution has decided to organize one-day workshop on application of AI tools in teaching-learning process, for making the faculty aware of different tools that can be effectively used in our classroom teaching. Hence, all the teaching faculties of the institution are informed to remain present in the workshop as per the schedule given below.
