

SHRI SHIVAJI EDUCATION SOCIETY AMRAYATI'S

SCIENCE COLLEGE, PAUNI, DIST. BHANDRA

INTERNAL QUALITY ASSURANCE CELL (IQAC)

NOTIFICATION

The institution has successfully undergone two cycles of assessment and accreditation by NAAC. The formal Internal Quality Assurance Cell (IQAC) of the college was set up during the second cycle of NAAC on **30th April, 2009** for monitoring the quality parameters at the academic, physical infrastructure and administrative set up. IQAC aimed to ensure quality culture by taking all the initiatives seeking support from internal and external sources.

Objectives of IQAC:

IQAC was set up with following objectives with reference to the guidelines provided by NAAC.

- To ensure quality culture for the overall development of the institution.
- Development of a monitoring system for conscious, consistent and catalytic action for the improvement of academic and administrative performance of the institution.
- Promotion of measures for institutional functioning towards quality enhancement through strengthening of internal network for quality culture and implementation of best practices as a unique identity of the institution.

Functions (Role) of IQAC:

- To develop strategy for effective curriculum delivery,
- To promote, motivate for enhancement for quality in teaching-learning process and research,
- To play significant role for quality matters,
- To promote and determine quality related activities and issues through various programmes and activities for all stakeholders,
- To play crucial role in maintaining standards in teaching-learning and evaluation and co-curricular aspects,
- To facilitate the creation of student-centric environment conducive to quality education and faculty development,
- To plan for the upliftment of academic and administrative standards,
- To collect data on various activities for compilation of annual reports of the institution to be submitted to different agencies including NAAC,
- To maintain database of the institution,
- To collect feedback and analyse feedback obtained from different stakeholders and recommend to the managing body for the consideration of constructive suggestions,
- To act as nodal agency for taking major steps in pushing long-term standards and coordinating quality-related issues including adaptation and dissemination of best practices.
- To conduct periodical academic and administrative audit and its follow-up, and

- To prepare and submit the Annual Quality Assurance Report (AQAR) as per the guidelines provided by NAAC.
